REGISTER AT <http://www.saskecec.ca/events.html>

Come create a variety of Math materials for your Inquiry Math program! These are based on the Reggio Math workshop held in October, but attendance at that workshop is not a pre-requisite. Some of the items you will create:

- Rekenrek beads (i.e. <https://www.k-5mathteachingresources.com/Rekenrek.html>)
- Popsicle Stick 10 frames
- Manipulatives from the die cut machine (including geometric shapes, numbers and other shapes.)
- Wooden Geo Boards
- Ribbons for measurement
- Dot Cards
- Shape Sticks

A light Lunch is included.

PLEASE BRING:

- A bag or bin to bring your items home in.
- Material to cut on the die cut machine, anything scissors will cut (ie foam, felt, sandpaper, cardstock). The smaller (approx 5x7) pieces are better for putting through the die cut machine, but larger pieces can be cut smaller.
- Large sheets (approx.. 9x12) of stiff black felt-4 (for making circle patterning mats).
- A coffee mug or cold drink cup (paper cups will not be provided).
