# Super Stickey

I woke up and my hand was stuck to the blanket! AHHHHHHH!!!

Then I got out of bed and tried out my powers! I said this is the coolest day of my life! I heard a

person yelling ~~HE~~ L P!!! but I saved her with my spider webs and my stickey

power! The girl said thank you very much. I flew back

home. I dreamed if I would

have the ~~best~~ tomorrow. The end.

I woke up and my hand was stuck to the blanket!

AHHHHHHH!! I got out of bed and tried out my powers! I said this is the coolest day of my life! I heard a person yelling HELP!!! It was a little girl who fell off a building. But I saved her with my spider webs and my sticky power! I got her by shooting webs and they bounced

her on the roof  
and I got her by  
flying up to catch her.  
The girl said thank  
you very much.

I flew back home.  
I dreamed if  
I would have the super  
powers tomorrow. The End.
